NEW ORLEANS , LOUISIANA , USA, June 20, 2024

[/EINPresswire.com/](https://EINPresswire.com/) -- According to the Louisiana Mesothelioma Victims Center, "If you are a current or former school or hospital maintenance person anywhere in Louisiana and you have just been diagnosed with mesothelioma or asbestos exposure lung cancer please call the Gori Law Firm anytime at 866-532-2106. The Gori Law Firm has an office in New Orleans, and they are one of the nation's largest mesothelioma and asbestos exposure lung cancer law firms and they consistently get remarkable compensation results for their clients.

"During Hurricane Katrina some members of our group volunteered at Baptist Memorial Hospital on Napoleon Avenue in New Orleans. After the hospital lost power-- walls had to be opened to make way for patients in need of a helicopter ride out of the hospital. The walls all had asbestos. During that time we were talking to a few of the maintenance people and they said every older hospital-school in the state was the same.

"If your loved one has just been diagnosed with mesothelioma or asbestos exposure lung cancer anywhere in Louisiana, please call the Gori Law Firm anytime at 866-532-2106 to discuss compensation. A school or hospital maintenance worker with mesothelioma or asbestos exposure lung cancer might be stunned with how much their compensation claim might be

worth." www.gorilaw.com
