Meet the visionary whose profound philosophy is rooted in holistic beauty – Amanda Lemmage, CEO and owner of Skingeivity Med Spa. Ruling as a transformative leader in the wellness and entrepreneurial sectors, she has revolutionized the perception of aesthetic care.

Her career stands as living proof of her passion for aesthetics and her talent for forging deep connections with patients. Amanda’s patient-centric approach, which prioritizes attentive listening and the creation of personalized, realistic plans, has garnered her a loyal clientele and an outstanding reputation.

Skingeivity Med Spa is indeed a standout in the field of med spas, offering a wide range of aesthetic, medical, and wellness treatments. Located in Minnesota, it has earned a reputation as the premier destination for those seeking top-notch aesthetic care and overall wellness.

Amanda's recent features in renowned publications such as Vogue and Vanity Fair magazines, USA Today and many more – further solidify her growing recognition and influence in the industry. These features not only highlight her exceptional work but also showcase the effectiveness of her approach to wellness and aesthetic beauty.

However, Amanda isn't just an aesthetician and public figure; she's also a mentor, inspiring technicians and entrepreneurs globally. Her future plans include launching a podcast and expanding her speaking engagements, further extending her growing influence in the wellness and skincare industries. This journey and commitment to patient well-being solidify her as a transformative leader and visionary woman.
