"Perfectly Replicating Every Fine Detail: Fiat Nuova 500 2-Way Tissue Case!"

CAMSHOP.JP (FAITH Inc.), a brand specializing in vehicle-themed household goods, introduces a 2-way tissue case that faithfully replicates the Fiat Nuova 500, a beloved classic car among enthusiasts.

This officially licensed Fiat product is now available for purchase on the official website, CAMSHOP.JP, starting from late May.

About the Fiat Nuova 500:
Manufactured and sold by the Italian automobile company Fiat from 1957 to 1977, the Nuova 500 is adored worldwide for its charming appearance, featuring rounded headlights. To distinguish it from the original 500 (1936-1955), it is referred to as the Nuova 500, meaning "new" 500.

Two Uses: Tissue Case and Wet Wipes Case:

The Fiat tissue case can hold a standard bag of tissues and, with its lid, can also be used as a wet wipes case (compatible with standard wet wipes). Its realistic design includes rotating tires, making it a fun and practical gift, especially for baby showers.
