Dr Orestis Valianatos, Global President & CEO at ATMOS Global™

ATMOS Global™ - Suite of Artificial Intelligence Solutions

ATMOS Global™ Climate Change Innovations - this trademark was registered by ATMOS Global™ in Australia, the USA, Canada and the UK in 2010.

Dr Valianatos has been honoured with an invitation to address the audience as a Keynote Speaker at the prestigious 10th Global Webinar on Applied Science and Technology (July 03-04, 2024) where he will unveil insights into our revolutionary AI-empowered Inspirational Foresight Leadership Strategy Formulation Framework that capitalises on vertical AI's transformational potential to build a culture of perpetual reinvention and human potential optimisation on a global scale.

Dr Orestis D. Valianatos is the Global President and CEO of ATMOS Global Pty Ltd (ATMOS Global™), a highly accredited and accomplished professional company director, an astute investor in the capital markets, an

established innovator, a role model, a visionary thinker with a diverse portfolio of formal qualifications (BSc, MSc, PhD in Atmospheric Physics, Climate & Sustainability, Master of Business Administration, Professional Doctorate in International Business and Sustainability, Corporate Governance training as a Professional Board Director, and soon a Diploma of Finance), experience, unique insight and influential global perspective across multiple domains including management consulting, climate, leadership, strategy and innovation in sustainability, ESG, carbon neutrality strategies, climate-tech, thematic and sustainable investing. Entrepreneur and agent of change, he has authored more than 50 ground-breaking international research papers as a subject matter expert working in partnership with senior personnel from government departments, universities and major private clients from the mining, manufacturing and energy & utilities sectors to pioneer, encourage and support the use of high-end AI technologies to solve significant business problems and address urgent community needs.

ATMOS Global is a wholly Australian owned, funded, and managed prestigious global consulting firm specialising in visionary investments and management consulting, vertical and exponential artificial intelligence, sustainability and ESG leadership, renewable energy, advanced air quality and severe weather forecasting, and digital health. Headquartered in Melbourne, Australia, our world-wide presence is facilitated by a world-class global network that spans all five continents. For decades, we have upheld the highest global leadership standards. ATMOS Global has diligently crafted its esteemed reputation over a span of thirty years; we celebrated our 30th anniversary on November 21, 2023. Our leadership in the AI field is a consequence of significant investments in research and development, complemented by the cultivation of robust client and peer relationships.
