Training Industry, the leading research and information resource for corporate learning leaders, prepares the Training Industry Top 20 and Training Industry Watch List reports on critical sectors of the training marketplace to better inform professionals about the best and most innovative providers of training services and technologies.

Inclusion in the 2024 Training Industry Top 20 Learning Services Companies list was determined by several criteria:

- Breadth and quality of learning services and solutions offered.
- Industry visibility, innovation and overall impact on the learning services market.
- Client representation.
- Business performance and growth.

"The companies chosen for this year's Top 20 Learning Services list showed an exceptional array of services, offering their clients quality, end-to-end solutions such as content creation, learning technologies, learning strategies, delivery, administrative assistance and more," said Jessica Schue, Market Research Analyst at Training Industry, Inc. "With their innovative approach and impact in the learning services

corporate training market, these companies can help create the best learning solution for any organization."

"We are honored to receive this award for three consecutive years," said Maria Melfa, President and CEO of TTA. "It recognizes the wide range of services we offer and how they enable clients to be more agile and achieve their learning initiatives with on-demand talent. We are thankful for our many loyal and new clients who trust us as their training partner."

In addition to this recognition, TTA has garnered multiple accolades, including Top 20 Outsourcing Company (12 years), Watch List Leadership Training Company (7 years), Top 20 IT and Technology Company (12 years), Top Custom Content Development Company (8 years), and Top Staffing and Temporary Resources Company (1 year), and has received numerous Brandon Hall awards with our clients for innovation.
