HARTFORD , CT, UNITED STATES, June 18, 2024 /EINPresswire.com/ -- The Scribe's Institute proudly announces its 11th Annual Dr. Martin Luther King Jr. Gala for Learning and Literacy, taking place on June 22, 2024, at the Hartford Marriott Downtown. This prestigious event promises an evening filled with inspiration, celebration, and a shared commitment to nurturing bright young minds.

A Night to Remember

The gala will feature an exquisite meal, DJ and dancing, a silent auction, and an awards ceremony to honor champions of education and global justice.

Empowering Tomorrow's Leaders Today

Since its inception in 2009 by visionary Dr. Aaron Lewis, The Scribe's Institute has led educational transformation efforts. Dedicated to serving urban children within the Greater Hartford region, we have introduced over 1000 students to literacy, language, STEM, and robotics. Our gala represents our commitment to education and community, raising essential funds to ensure these programs remain accessible and tuition-free for all participants.

Luminaries and Legacy

Our gala is renowned for celebrating luminaries in education, global justice, science, and the arts, such as Professor Jelani Cobb (Columbia University), the Jewish Federation of Hartford-Children's Reading Partners, Professor Glenn Loury (Brown University), theoretical scientist and author Dr. Ronald Mallett, Professor Elizabeth Hinton (Yale University), the Wadsworth Athenaeum, Attorney Jeffrey Dressler, and many others. We are grateful for those individuals and organizations that illuminate the path for future generations.

This year's honorees are three remarkable African American women:

- Chief Shelly Carter, the first African American woman fire chief in the state of Connecticut.
- Ms. Lisandra Samuel, Co-Founder of the New Britain Youth Football & Cheer organization.
- Ms. Mary Young, the Executive Program Director at the Upper Albany Neighborhood

Collaborative in Hartford, CT.

Dr. Lewis perfectly sums up our mission: "I cannot change where you were born or what family you were born into. I can change your outcome by giving you an educational opportunity. Education is the game changer."

The date is set for June 22, 2024, at 6:00 P.M., at the Hartford Marriott Downtown for a night that promises to be both memorable and meaningful, supporting the empowerment of youth through education.
