FORT WORTH, TEXAS, US, June 18, 2024 /EINPresswire.com/ -- As food costs and living expenses continue to rise, the Chris Howell Foundation remains steadfast in its mission to provide essential aid to families in need. The Foundation is pleased to announce its partnership with Our Mother of Mercy Catholic Church for their upcoming drive-thru food distribution event scheduled for Saturday, June 22, 2024, from 10:00 a.m. to 1:00 p.m. at Our Mother of Mercy Catholic Church, located at 1001 E. Terrell Avenue, Fort Worth, TX 76104.

“

Our goal is to alleviate food insecurity and provide hope to those facing economic hardship.”

*Dominique Bryant-Howell,  
Executive Director*

Founded over four years ago during the pandemic, the Chris Howell Foundation's mobile food pantry program has been a vital resource for communities across Dallas and Tarrant Counties. To date, the Foundation has served over 101,000 families, distributing three million pounds of food.

"Our drive-thru food distribution events are a direct response to the increasing challenges faced by families in

our community," said Dominique Bryant-Howell, Executive Director of the Chris Howell Foundation. "We are committed to ensuring that no one goes hungry, especially during these difficult times."

The event is open to the public, and community members in need of food support are encouraged to participate. Participants will complete a simple intake form from the safety and comfort of their vehicles, after which volunteers will load a box of nutritious food into each person's trunk.

"We understand the importance of providing accessible and dignified support to our neighbors," added Bryant-Howell. "Our goal is to alleviate food insecurity and provide hope to those facing economic hardship."
