Capulet Fest exists to give modern rock fans what they want. In the last decade, Capulet Entertainment has thrown a number of shows, but none as impactful upon the scene as Capulet Fest. Uniting under the banner of rock for a weekend of excitement, head-banging, bomb food, and pandemonium in its purest form. 2024 will never be the same. The weekend of June 28-30th experience the arena sized bands in the tradition of what rock is meant to be - UP Close and LOUD.

Year one was the warning. Year two was the arrival.
Year three will be the takeover.
