

# Accounting Practice Management Software Market Set for Robust Growth, Expected to Reach \$1.25 Billion by 2028

*The Business Research Company has updated its global market reports with latest data for 2024 and projections up to 2033*

LONDON, GREATER LONDON , UK, June 18, 2024 /EINPresswire.com/ -- The

accounting practice management software market has witnessed rapid expansion in recent years, poised to grow from \$0.72 billion in 2023 to

\$0.80 billion in 2024, marking a compound annual growth rate (CAGR) of 11.6%. This growth can be attributed to the increasing adoption of digital technologies, automation demands, the rise of cloud-based solutions, remote work environments, and heightened focus on secure data storage.
