subsidiaries, is pleased to announce Philip Legan's appointment as an Executive Director. With a strong foundation in international human resources and executive recruitment, Philip Legan brings over two decades of hands-on experience to TH Bender & Partners. Philip began his career as a team leader supporting the global distribution network for a leading U.S. industrial component manufacturer before transitioning to a recruitment role for executive personnel in the U.S.

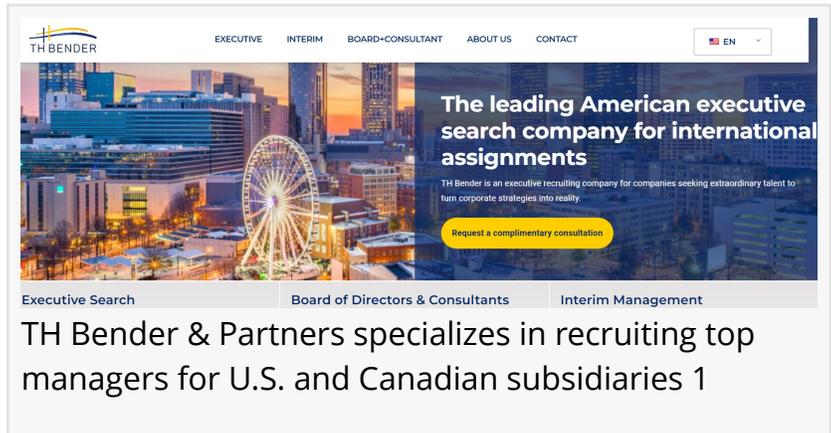

“

We are thrilled to welcome Philip to our team. His extensive experience in human resources and executive recruitment... will be invaluable in helping our clients ... fill critical positions...”

the needs and expectations of all stakeholders, and ultimately help companies realize their objectives for the North American market.

Philip's decade of experience at TÜV SÜD America, Inc., one of the world's largest testing,

inspection, and certification companies, is noteworthy. As the regional head of Human Resources and Director of Human Resources for the Americas region, he had full responsibility for all human resource and recruitment matters for the entire Americas region, which had more than 1,200 employees. He managed and oversaw all aspects of recruitment, benefits, compensation (total rewards), employee development, performance management, and retention strategies.

He holds an MBA in Leadership and a Professional in Human Resources (PHR) certification, demonstrating his knowledge and skills in human resource management and business strategy.

Philip's strategic insights and strong understanding of the interaction between American subsidiaries and their international parent companies make him a valuable addition to TH Bender & Partners.

[Tilman Bender](#), Managing Director of TH Bender & Partners, expressed his enthusiasm about Philip's appointment: "We are thrilled to welcome Philip to our team. His extensive experience in human resources and executive recruitment, coupled with his deep understanding of the complexities faced by U.S. subsidiaries of DACH companies, will be invaluable in helping our clients build and expand their teams, plan succession, and fill critical positions."
