

Apple's App Store approves ApsTron Science's Dating App update for Personal and Professional growth

ApsTron announced the approval of HealthSteps™, a dating app that not only connects people for love but also facilitates meaningful professional connections

WOBURN, MA, UNITED STATES, June 18, 2024 /EINPresswire.com/ -- Apple's [App](#) Store approves [ApsTron](#) Science's Dating App update for Personal and Professional growth

Whether you're looking for love, a compatible professional, or a career mentor, HealthSteps™ is designed to facilitate meaningful connections that lead to both personal and professional success"

ApsTron's CEO, Tahir Chaudhry

ApsTron Science announced the approval of HealthSteps™, a new kind of dating app designed not only to connect people for love and harmony but also to facilitate meaningful professional connections for career advancement.

App is already approved for Google's Play Store and is available at their website www.HealthSteps.US. App, already has over 30,000 users, and can be loaded for Apple and Android phones at:

Google's Play store: <https://tinyurl.com/2na8tpcd>

Apple's Appstore: <https://tinyurl.com/378f3ehp>

In today's fast-paced world, finding a compatible partner for both personal and professional growth can be challenging. We believe HealthSteps™ addresses this challenge by leveraging advanced matchmaking algorithms that consider not only personal preferences and compatibility but also career goals and aspirations.

Key features of HealthSteps™ include:

- Tripple Matchmaking: HealthSteps™ goes beyond traditional dating apps by matching users based on both personal compatibility, professional criteria, and healthy habits. Whether you're

seeking a life partner or a career collaborator, HealthSteps™ ensures meaningful connections.

- Comprehensive Profiles: Users create detailed profiles that include not only interests, hobbies, and relationship preferences but also professional background, skills, and career objectives. This holistic approach allows for more informed and fulfilling connections.

- Secure and Private: Privacy and security are paramount. HealthSteps™ employs robust security measures to protect user data and ensures a safe environment for all interactions.

- User-Friendly Interface: Designed with user experience in mind, HealthSteps™ offers an intuitive interface that makes navigating the app and finding matches easier.

We're excited to introduce HealthSteps™, a platform that goes beyond traditional dating apps to foster relationships that span both personal and professional spheres," said CTO of ApsTron Science. "Whether you're looking for love, a compatible professional, or a career mentor, HealthSteps™ is designed to facilitate meaningful connections that lead to both personal fulfillment and professional success."

HealthSteps™ is now available for download on:

Google's Play store: <https://tinyurl.com/2na8tpcd>

Apple's Appstore : <https://tinyurl.com/378f3ehp>

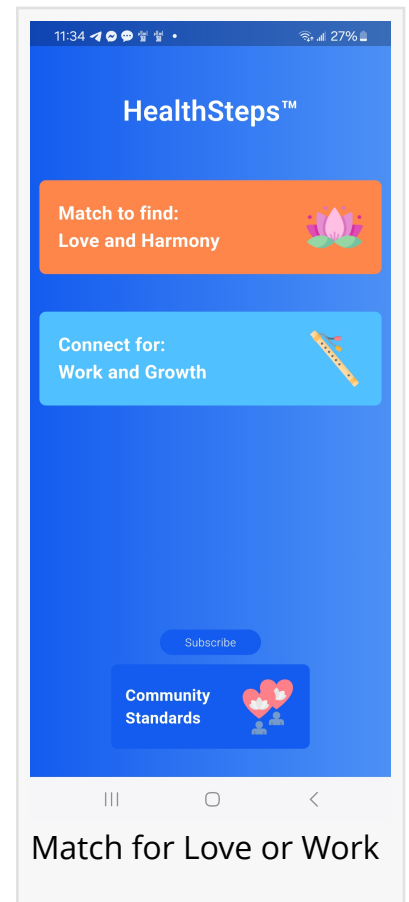

Or users can simply run it on any browser from:

Healthsteps (healthstep-e6089.web.app)
