

# SmarterSign Integrates with Clover POS for an Integrated Digital Menu Board Experience

*SmarterSign now integrates with Clover POS to enable an optimized digital menu board solution for restaurants of any size.*

HAUPPAUGE, NEW YORK, USA, June 18, 2024 /EINPresswire.com/ --

SmarterSign, a leader in digital menu board solutions with 18 years of expertise, proudly announces its latest integration with [Clover POS](#). This innovative integration offers restaurant operators exceptional inventory control and real-time menu updates, transforming how digital menus are managed.

SmarterSign Digital Menu Boards and Clover POS

By connecting Clover POS to SmarterSign [digital menu boards](#), restaurant owners can effortlessly synchronize their menus with their POS system. This integration ensures real-time updates, reflecting changes in pricing, item availability, and stock levels, thereby enhancing operational efficiency and improving customer satisfaction.

“

Our aim is to simplify digital menu board management. Integrating with Clover POS allows us to offer real-time updates and accurate information to customers.”

*Gregg Zinn - CEO, SmarterSign*

“We are excited about what this integration can mean for our customers,” said Gregg Zinn, CEO of SmarterSign. “Our aim is to simplify digital menu board management. Integrating with Clover POS allows us to offer real-time

updates and accurate information to customers.”

Key Features of the Integration Include:

**Real-Time Updates:** Any changes made in the Clover POS catalog are automatically synced with digital menu boards, keeping menus current.

Enhanced Inventory Control: Instantly updates item availability, reducing customer frustration by displaying only in-stock items.

User-Friendly Interface: Easy for restaurant operators to manage and design digital menus without technical expertise.

Since 2006, SmarterSign has been a trailblazer in digital menu board solutions, offering flexible design options and user-friendly tools tailored for restaurant operators. The Clover POS integration reaffirms SmarterSign's commitment to providing comprehensive [digital signage](#) solutions.

With no long-term contracts and fees starting at \$25 per month, SmarterSign provides an affordable solution that adds significant value to restaurant operations. This new integration empowers restaurants to quickly adapt to market changes, maintain accurate menus, and enhance the overall customer experience.
