WASHINGTON , DC, USA, June 19, 2024

/EINPresswire.com/ -- The US Navy Veterans Mesothelioma Advocate says, "Contrary to what you hear on cable TV or see on the Internet the mesothelioma compensation process is not as easy as some internet ads make it sound. We are specifically talking about those who served in our nation's armed forces-specifically US Navy Veterans. We want a Navy Veteran with mesothelioma or their family to call us anytime at 866-714-6466 so they do not end up getting shortchanged.

"US Nave Veterans make up about one third of people who will be diagnosed with mesothelioma each year and we are committed to seeing that people like this receive the best possible financial compensation. To get the job done we have offer direct access to the nation's most experienced and skilled mesothelioma attorneys. We have been helping Navy Veterans with mesothelioma for nearly 20 years, and we really do offer direct access to the nation's top mesothelioma attorneys. Just call us anytime at 866-714-6466 and we will prove it."

Suggestions from the US Navy Veterans Mesothelioma Advocate for Veterans with mesothelioma nationwide on how to increase potential financial compensation:

"Do you recall the specifics of how you were exposed to asbestos at work, in the military or both- and when this exposure occurred? This is incredibly important information.

"Do you recall the names of shipmates-coworkers who might have witnessed your exposure to asbestos?"

"Did you have more than one job in the navy-armed forces where you might have been exposed to asbestos?"

"Do your medical records include a biopsy that confirms the mesothelioma or asbestos exposure lung cancer?"

"Has your loved one's doctor told you that mesothelioma is a distinct possibility-but because they are so sick-weak-a biopsy to confirm the mesothelioma is not possible? If this is your loved one, please call us anytime at 866-714-6466."

Important Note: "We are advocates for Navy Veterans who have developed mesothelioma anywhere in the USA-and as we say all the time we want these people to receive the best possible financial compensation results.
