## Definition:

Kidnap and ransom (K&R) insurance is a particular type of

insurance policy designed to protect individuals, businesses, and organizations against the

financial risks and liabilities associated with kidnapping, extortion, and ransom demands. This insurance covers expenses related to kidnapping incidents, such as ransom payments, legal fees, crisis intervention, and other costs incurred during and following an incident. Kidnap and ransom (K&R) insurance is meant to keep people from having to give up their wealth in order to protect the people they care about. That being said, it is definitely improper for everyone. Before you buy kidnapping insurance, there are several important considerations to make. You must be aware of its coverage, its workings, and its typical cost.
