“

We're thrilled to offer the chance to experience our powerful CBD Hot and Ice Gels in these sample sizes for only 99p”

*Ross Whittaker, HEMPE Helps  
CMO*

“When people try our HEMPE products they're usually surprised by how much they love them, so we are thrilled to offer the chance to experience our powerful CBD Hot and Ice Gels in these sample sizes for only 99p” said Ross Whittaker, CMO at HEMPE Helps.

“Our new sachets are perfect for those who want to trial the benefits of our CBD gels first-hand before purchasing a

larger container. With free UK delivery, it's never been easier to try our strong new natural

solution for muscle and joint relief."

The CBD Hot Gel is designed to provide soothing warmth to relieve muscle and joint pain, while the CBD Ice Gel offers a cooling sensation to reduce inflammation and discomfort.

Both products are formulated with high-quality CBD and natural ingredients to ensure effective and safe relief.
