CONWAY, AR, UNITED STATES, July 8, 2024 /EINPresswire.com/ -- Rosewood Cremation & Funeral offers many services that set them apart from traditional funeral centers. One such offering is their new, four-foot Ghostbusters Ectomobile urn. With true-to-the-movie patina, proton packs, and even the iconic Echo-1 siren, this urn is a playful yet respectful homage for fans of the iconic franchise.

Rosewood offers unique options like the Red Cup Celebration, Classic Coaches, and custom urns, including their recently released Ghostbusters Urn.

**Red Cup Celebration: A Toast to Life**  
The Red Cup Celebration is a distinctive service that allows families to celebrate the lives of their loved ones in a more casual and joyous manner. This unique approach replaces traditional mourning with a heartfelt celebration,

encouraging attendees to share stories and raise a red cup in honor of the deceased. It's a fitting tribute for those who lived life to the fullest and wished for their legacy to be remembered with smiles and laughter.

**Classic Coaches: A Personal Touch**

Rosewood offers a fleet of Classic Coaches to reflect the personality and interests of the departed. These custom-made vehicles range from vintage automobiles for a classic car enthusiast or themed vehicles representing a favorite hobby or profession.
