and intimate viewing experience for all attendees. The headquarters will house training activities, administration offices, and dedicated spaces for partner institutions like the Ahimsa Peace Institute (API) and Gaiasoft.

Welcoming Emilia Queiroga Barros: We are excited to welcome Emilia Queiroga Barros to the Ahimsa Peace Institute Board of Directors. Emilia, a longtime collaborator and friend of Lynnea Bylund, has been instrumental in various international projects promoting Gandhian values and community development. Emilia's commitment to preserving Arun Gandhi's legacy and her extensive experience make her an invaluable addition to our board.

Emilia has recently opened a new office for NIC, a Brazilian NGO headquartered in Belo Horizonte. The NIC team completed a Portuguese subtitled version of the film "Ahimsa Gandhi: The Power of the Powerless" for the Brazilian market.

NIC's 30th Anniversary: Founded in 1994, NIC has been at the forefront of integrating knowledge and ethical consciousness to develop rapid solutions to contemporary challenges. As the exclusive representative of the Ahimsa Peace Institute and Gaiasoft in Brazil, NIC has established itself as a leader in promoting peace, sustainability, and integrated development.

The 30th anniversary event will include lectures, panels, and discussions featuring prominent speakers such as Lynnea Bylund (USA), and Morel Fourman (UK).

Highlights include:

- June 21: Opening lecture on "The Integrative Age" and presentation of NIC's projects.
- June 22: Panels on "Longevity, Health, and Well-being" - "Igarassu Project: Natural Heritage of Humanity."
- The launch of the "Love in Action" campaign by Ahimsa Peace Institute, developed in partnership with NIC, to be executed globally in 2025.

The event will conclude with the Brazilian premiere of the documentary "Ahimsa: Gandhi: The Power of the Powerless." The documentary explores Mahatma Gandhi's philosophy of nonviolence and its profound influence on global movements for social justice.

Honoring Arun Gandhi

My Life Is My Message

Advisors to NIC: Lynnea Bylund and Morel Fourman serve as advisors to NIC, bringing their extensive experience and visionary leadership to support NIC's mission of integrating knowledge and promoting regenerative development.

[About NIC](#): Founded by educator and researcher Emilia Queiroga Barros, the Nucleus of Sciences Integration (NIC) promotes the Integrative Age through an international network of thinkers, specialists, and institutions. NIC's work spans five key areas: Territorial Transformation, Health and Well-being, Science and Technology, Integrative Education, and Consciousness and Spirituality.
