

Nancy Drew®: Mystery of the Seven Keys™ Launches on Steam

Continuing the Legacy of the Nancy Drew Franchise, a Brand-New Case Takes the Iconic Detective to Prague

RENTON, WASHINGTON, UNITED STATES, June 20, 2024 /EINPresswire.com/ -- Today, [HeR Interactive](#) launched the 34th title in the critically acclaimed Nancy Drew franchise, [Nancy Drew: Mystery of the Seven Keys](#) on [Steam](#). Set in the historic city of Prague, players are tasked with uncovering the truth behind the theft of a client's heirloom necklace while navigating through the beautiful city's old-world 3D environments as Nancy Drew. Players will encounter challenging puzzles and riddles while discovering clues entwined with medieval legends, alchemy, and lore.

As a Steam gamer, you will need to outwit devious suspects and use your detective skills to unravel a mystery threatening the city's Bohemian heritage. The game is designed to keep you on the edge of your seat, with danger and intrigue at every turn as the criminals stop at nothing to prevent you from bringing the truth to light. Your investigative and critical thinking skills are crucial to solving the case and discovering the real mystery behind the legend of the seven keys.

"We are so excited to bring this all-new Nancy Drew mystery adventure to Steam gamers everywhere," said Penny Milliken, CEO of HeR Interactive. "By bringing Nancy Drew: Mystery of the Seven Keys to Steam, we will welcome new and old fans alike to a new game in a series that has entertained and thrilled players for decades. HeR Interactive is proud to have on the team women who grew up playing these games and who were each instrumental in making this game. The team created a truly unique gaming experience that captures the intrigue and timeless appeal of Nancy Drew and represents another key milestone as we continue to grow this legendary franchise."

Nancy Drew: Mystery of the Seven Keys is compatible with Windows® and Mac® operating systems and is available exclusively on Steam and at HeR Interactive for \$32.00. The official

About HeR Interactive

One of the longest running video game series, Nancy Drew games are from female led HeR Interactive and have been engaging players for over 25 years with cases that let players travel the world. An award-winning video game company, HeR Interactive designs, develops, and publishes high-quality, mystery adventure games and apps for all ages. With over 30 awards to its name and more than 9 million copies sold, HeR Interactive has been a pioneer of fun and inspiring interactive family entertainment.

This success, in part, is buoyed by the ever-increasing number of girls and women becoming avid game players. Nancy Drew players now include moms who have introduced their daughters (and sons) to Nancy, making Nancy Drew one of history's longest-running, well-known figures spanning generations. The continued success of the series has resulted in many Nancy Drew fans now actively working in the gaming industry.
