

# PhoenixTeam Ranks Among Highest-Scoring Businesses on Inc.'s Annual List of Best Workplaces for 2024

ARLINGTON, VIRGINIA, UNITED STATES, June 21, 2024 /EINPresswire.com/ -- PhoenixTeam has been named to Inc.'s annual Best Workplaces list.

Prominently featured on Inc.com, the list is the result of a comprehensive measurement of American companies that have excelled in creating exceptional workplaces and company cultures, whether operating in a physical or a virtual facility.

At PhoenixTeam, our dynamic and inclusive company culture is the cornerstone of our success and team member happiness. As a 100% remote company with talent spread across the country, our priority is to provide a culture where our team members can build authentic human connections and relationships regardless of location or time zone. We strive to create an environment where empathy, learning from failure, and the relentless pursuit of personal and professional growth are encouraged and celebrated. By focusing on the human element and empowering our team members to do meaningful work, they feel valued, heard, and motivated to advance in their careers. PhoenixTeam invests in its team members as much as they invest in the company and that is a key ingredient to its longevity, growth, and outstanding reputation as a technology company and partner.

After collecting data from thousands of submissions, Inc. selected 543 honorees this year. Each nominated company participated in an employee survey, conducted by Quantum Workplace, covering topics such as management effectiveness, perks, fostering employee growth, and overall company culture. The organization's benefits were also audited to determine overall score and ranking.

"We are honored to be recognized as a 2024 Inc. Best Workplace," said Tanya Brennan, CEO and Managing Partner of PhoenixTeam. "When Tela Mathias, Tom Westerlind, and I founded PhoenixTeam in 2015, we did so with a commitment to always do the right thing by our clients, our communities, and most importantly, our team members who give their all every single day. It is an honor and privilege to provide our team with the culture, flexibility, resources, and support they need to be their best selves, both professionally and personally."

“Each year, Inc.’s Best Workplaces program recognizes the very best in terms of companies that have fostered a truly amazing culture,” says Inc. editor-in-chief Mike Hofman. “We use hard metrics and data as well as qualitative measures for judging in order to find the very best—and we’re proud that the program is highly selective.”
