2024 Top Learning Services Company

"Being recognized as a Top Learning Services Company by the Training Industry is one of the highest honors a company can receive in our industry. Fortunately for Infopro Learning, we've been on this list for over a decade now, which is a testament to our ability to continuously re-invent ourselves to stay at the top of our game and serve the ever-changing needs of our clients. Right now, the work we're doing with AI and skills transformations is much different than what we did even 5 years ago, but what remains throughout is our ability to deliver consistent business results, which is why I think we continue to be the premier learning company for the world's largest brands for over 30 years." - Nolan Hout, SVP of Growth at Infopro Learning

"The companies chosen for this year's Top 20 Learning Services list showed an exceptional array of services, offering their clients quality, end-to-end solutions such as content creation, learning

technologies, learning strategies, delivery, administrative assistance and more," said Jessica Schue, market research analyst at Training Industry, Inc. "With their innovative approach and impact in the learning services corporate training market, these companies can help create the best learning solution for any organization."
