

NewRA Launches SaaS Version for Instant AI Integration

Customers can now enjoy flexible subscription plans and white-label solutions for enterprises.

BEVERLY HILLS, CALIFORNIA, UNITED STATES, June 24, 2024

/EINPresswire.com/ -- IntegrateX, Inc. is excited to announce the launch of the SaaS version of NewRA, our groundbreaking AI platform. Starting today, businesses of all sizes can instantly access NewRA's advanced capabilities through a variety of

subscription plans designed to meet diverse needs and budgets. This launch marks a significant step forward in making cutting-edge AI accessible and practical for enterprises everywhere.

Key Highlights of the NewRA SaaS Launch:

- Instant Access to AI: Businesses can now get up and running with NewRA's powerful AI platform instantly, leveraging its capabilities without the need for extensive setup or infrastructure.
- Flexible Subscription Plans: NewRA offers multiple subscription plans that include a range of new and exciting features. These plans are scalable and designed to grow alongside businesses, ensuring continuous access to the latest AI services and technologies.
- Personalized White-Label Solutions: Enterprises looking for a tailored AI solution can opt for a personalized white-label implementation, allowing for a private and customized NewRA experience exclusive to their organization.
- Upcoming Features: We are excited to announce upcoming features, including real-time database integration and more versatile integrations with custom agent workflows, further enhancing the platform's capabilities.
- One of the co-founders and producers of NewRA, Mr. Jigar Panchal, recently discussed the platform's vision and capabilities in a podcast that has garnered significant attention.
