

Turnkey Capital Finalizes Acquisition of Monytize, Revolutionizing Social Media and Entertainment

Turnkey Capital acquired Monytize

NEWPORT BEACH, CA, UNITED STATES OF AMERICA, June 27, 2024

/EINPresswire.com/ -- Turnkey Capital ([TKCI](#)) has successfully completed its acquisition of [Monytize](#), a cutting-edge social media platform designed to unify various social networks into a secure ecosystem that champions both privacy and freedom of speech while allowing users to generate revenue.

In today's digital age, social media and entertainment have connected people from all corners of the globe, yet most users have remained passive consumers. Monytize aims to change this dynamic. The platform brings together a diverse community of free thinkers, content creators, athletes, artists, celebrities, non-profits, and more, curating a unique experience that combines entertainment and online connectivity while providing financial benefits to its users and worthy causes worldwide.

“

TKCI's intellectual property, paired with our business model, propels Monytize's global expansion, ensuring a secure and sustainable future for our platform and users.”

*Terrell Samuels,
CEO of Monytize*

Monytize is making a significant global impact by reinventing how social media is consumed, ensuring that users receive their fair share of the multi-billion-dollar industry. With TKCI's acquisition, Monytize introduces a revolutionary social media and streaming platform that allows users to earn passive income through an ad revenue-sharing model. This model seamlessly integrates entertainment with financial incentives, enabling users to monetize their everyday activities while enjoying music, movies, live TV, games, and social interactions.

Cole Wilson, Chief of Operations at Monytize, states, "TKCI's acquisition of Monytize introduces a groundbreaking platform. Users can earn passive income through an ad revenue-sharing model while enjoying music, movies, live TV, games, and social interactions. By integrating entertainment with financial incentives, Monytize redefines digital engagement, enabling users to monetize their everyday activities seamlessly."

The Monytize App, available on Android, Windows, iOS, and MacOS, offers a comprehensive suite of features including movies, music, cloud-based console games, live TV, and platform-to-platform social media interaction.

"The heights that Monytize can reach with our technology is limitless"
(Dawnte Bailey, Chief Executive Officer of Turnkey Capital Inc.)

Safe Harbor Statement

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements are based on current plans and expectations of management and subject to several uncertainties and risks that could significantly affect the company's current plans and expectations, as well as future results of operations and financial condition (including, without limitation, the company's ability to raise additional capital, execute its business plan and strategy, sustain, or increase gross margins, achieve profitability, and build shareholder value). A more extensive listing of risks and factors that may affect the company's business prospects and cause actual results to differ materially from those described in any forward-looking statements are available in the reports and other documents filed by the company with the U.S. Securities and Exchange Commission. The company undertakes no obligation to publicly update or revise any forward-looking statements, whether because of additional information, future events or developments, or otherwise.
