

UnifyCloud recognized as a finalist for two 2024 Microsoft Partner of the Year Awards

With two honors in 2024, UnifyCloud has been recognized with a Microsoft Partner of the Year Award for the tenth time and the fifth consecutive year.

REDMOND, WASHINGTON, UNITED STATES, June 27, 2024

/EINPresswire.com/ -- [UnifyCloud](https://www.unifycloud.com) today announced it has been named a finalist of the 2024 Microsoft Worldwide Modernizing Applications Partner of the Year Award and a finalist for the 2024 Microsoft Americas ISV Innovation Partner of the Year Award.

The company was honored among a global field of top Microsoft partners for demonstrating excellence in innovation and implementation of customer solutions based on Microsoft technology.

These two awards reflect our commitment to developing cutting-edge solutions to simplify and accelerate application modernization, AI adoption, and cloud migration."

Marc Pinotti, CEO and Co-founder of UnifyCloud

"It's always an honor to be recognized with a Microsoft Partner of the Year Award and receiving two honors is even more special." said Marc Pinotti, UnifyCloud CEO. "As an ISV focused on modernization to the cloud, both awards reflect our commitment to developing an end-to-end automated cloud transformation platform that delivers cutting-edge solutions in cloud migration and artificial intelligence to simplify and accelerate application modernization and cloud migration that empowers businesses to achieve their digital transformation goals. We are deeply honored to be acknowledged by Microsoft

and look forward to continuing our partnership to deliver exceptional solutions to Microsoft and our partners in the Americas and worldwide."

"Being recognized with a Microsoft Partner of the Year Awards honor for the fifth year in a row is a tremendous achievement for UnifyCloud." said Vivek Bhatnagar, UnifyCloud CTO. "This year's

UnifyCloud named finalist for two 2024 Microsoft Partner of the Year Awards!

double recognition reflects our continued commitment to helping organizations navigate their digital transformation journeys with innovative solutions like automated remediation and AI enablement. We are proud of our partnership with Microsoft and remain dedicated to driving excellence and delivering significant value through our CloudAtlas platform. Smarter Migration to the Cloud

The Microsoft Partner of the Year Awards recognize Microsoft partners that have developed and delivered outstanding Microsoft Cloud applications, services, devices, and AI innovation during the past year. Awards were classified in various categories, with honorees chosen from more than 4,700 nominations from more than 100 countries. UnifyCloud was recognized for providing outstanding solutions and services in Modernizing Applications and ISV innovation.

The Modernizing Applications Partner of the Year Awards recognizes partners who have a track record of modernizing a portfolio of customer applications for the cloud. The winning partners have demonstrated a deep understanding of their customers' business challenges and have helped motivate adoption of new cloud technologies and practices.

The ISV Innovation Partner of the Year award recognizes ISV Partners who have demonstrated a high level of innovation leveraging Microsoft Cloud advanced services, including AI, introducing new techniques, approaches, or applications that push the boundaries of what is currently possible.

"Congratulations to the winners and finalists of the 2024 Microsoft Partner of the Year Awards!" said Nicole Dezen, Chief Partner Officer and Corporate Vice President at Microsoft. "The momentum generated by numerous AI & Copilot announcements this year fueled innovation from our partners, enabling groundbreaking services and solutions to customers. I am inspired by the capability and creativity in our partner ecosystem and this year's winners beautifully demonstrate the best of what's possible with AI and the Microsoft Cloud."

The 2024 Microsoft Partner of the Year Awards are announced ahead of MCAPS Start for Partners, a digital event on July 10th and 11th. Partners will receive recognition at MCAPS Start for Partners ahead of in person celebrations during Microsoft Ignite in November.
