

Amalfi Jets Introduces 'Level Up' Promotion as it Increases Jet Card Rates

The company is incentivizing deposits made in July by counting them towards the USD 100,000 minimum for its Jet Card, encouraging clients to join the program.

LOS ANGELES, CA, UNITED STATES, July 1, 2024 /EINPresswire.com/ -- [Amalfi Jets](#) Inc., a global private jet charter and jet card provider, has announced it will up its Jet Card rates beginning today, July 1st, 2024 and simultaneously launch its 'Level Up' promotion to encourage deposits throughout the month.

Minimum deposits on the [Amalfi One Jet Card](#) have increased from USD 50,000 to USD 100,000. While current cardholders will not be affected, minimum deposits to top-up drained accounts will require at least USD 50,000.

As part of this move, Amalfi has introduced its 'Level Up' incentive. Any on-demand charter spend in July will count towards the minimum deposit of USD 100,000 required to join the Amalfi One Jet Card. This effectively serves as a matching program, rewarding those who fly on-demand by applying their July charter spend towards the jet card account's minimum deposit.

“We are proud of our flagship product and this move comes as a result of the increased demand we have seen in recent months. While this increase may seem stark to some, we are incentivizing current holders to deposit asap as the busy summer season continues to ramp up,” said [Kolin Jones](#), Founder & CEO of Amalfi Jets.

The Amalfi One Jet Card boasts one of the strongest offerings in the industry, with benefits

including a 33 countries primary service area, industry-low hourly rates across all categories, and dynamic pricing which saves clients 25 – 40% every flight per Amalfi's Jet Card Analysis earlier this year.

“After conducting a detailed analysis of other jet cards on the market, we deemed it best to up our current minimums to better align with the competition,” said Brian Francis, President of Sales. “Higher minimums safeguard our clients within our network more securely and prevent the hassle of shopping around and more easily facilities working with one provider.

This move comes after Amalfi's overhaul of its leading product last month, which introduced a series of updates including reduced peak day fees, an expanded PSA, and reduced callout times.

“

Our 'Level Up' promotion allows any on-demand charter spend in July to count towards the minimum deposit required to join the Amalfi One Jet Card, adding even more value to our clients.”
