With a dedicated team of licensed therapists, addiction specialists, and medical professionals, Safe and Sound Treatment provides comprehensive care that includes customized strategies, medical attention, and various therapeutic approaches designed to support each patient's unique recovery journey. Safe and Sound Treatment is committed to delivering specialized care, comfort, and a tranquil setting to help patients overcome addiction and mental health challenges.

"The Costa Mesa facility at Safe and Sound Treatment provides a comfortable and supportive environment, from initial detox to the completion of rehab programs. We are dedicated to making each patient's journey to recovery a positive and empowering experience," said Patrick Fowler, Program Director at Safe and Sound Treatment. "Recognizing that every individual has distinct needs and experiences, our team of nurses, counselors, and on-staff doctors work collaboratively to help patients regain stability and dignity as they transition from addiction to sobriety."

Safe and Sound Treatment boasts a top-tier facility equipped to treat patients dealing with

substance abuse, mental health issues, and co-occurring disorders. Some of the standout services offered at the facility include:

[Inpatient Rehab](#): Safe and Sound Treatment offers semi-private rooms in a tranquil setting. Patients can enjoy common areas and outdoor spaces that promote relaxation and reflection, all within the beautiful surroundings of Costa Mesa.

[Drug and Alcohol Detox](#): The facility prioritizes patient comfort and safety with 24-hour care from experienced nurses and access to addiction-specialty doctors. This ensures that patients can detoxify safely and begin their recovery journey with professional medical support.

**Outpatient Rehab**: Intensive outpatient programs provide the necessary group and individual therapy, counseling, and family support that patients need while maintaining their daily responsibilities and commitments.

Safe and Sound Treatment invites individuals to take a proactive step towards a healthier, brighter future. Whether seeking support for substance abuse, mental health challenges, or dual diagnosis, the professional team at Safe and Sound Treatment is ready to help individuals achieve comprehensive recovery and renewal.
