[Pickleball](#) and [padel](#) enthusiasts have a new indoor destination as [Blue Zone Courts](#) officially opens this fall, bringing top-notch dedicated pickleball and padel facilities and community-building events to the local area. Located at 5041 Fairview Street, the club boasts of 8 pickleball and 2 padel courts, designed to cater to both beginners and seasoned players.

Pickleball is rapidly growing in popularity in Canada, blending elements of tennis, badminton and table tennis, played with a paddle and a wiffle ball on a badminton-sized

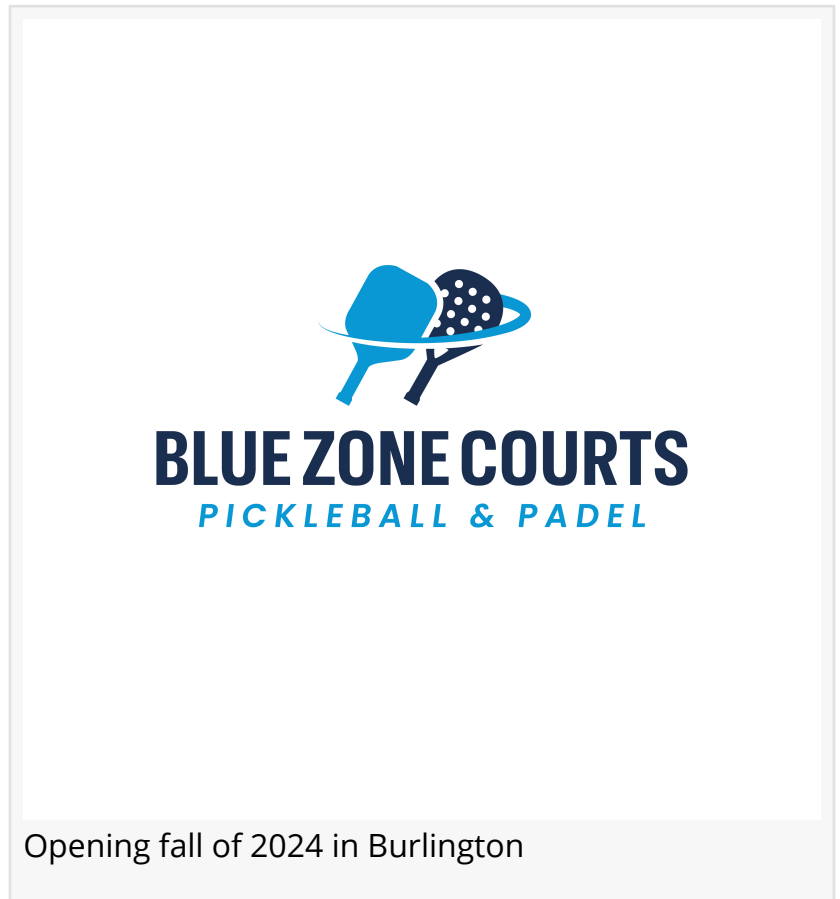

court. It is a sport that is easy to pick up and appropriate for players of all ages and skill levels and becomes more challenging and faster paced as players become more experienced. Padel is a new sport in North America but has exploded in Europe and Latin America. It combines elements of tennis and squash, typically played in doubles on an enclosed court slightly smaller than a tennis court and surrounded by walls of glass and metallic mesh.
