Recognize *every* moment

"Before Truly Gifted, I was always searching for a sincere way to mark the moment, whether I was sending someone love, sympathy, or just letting them know they were on my mind," said Jennifer Koman, Founder of Truly Gifted. "Thinking about how much I appreciate receiving a

handwritten card or special photo in the mail, I was inspired. Words and photos are an impactful way to stay connected, and we're here to make sending them easier."

Token Moments, available for \$38, includes a keepsake sentiment token crafted in Belgium and a beautiful card handwritten with a personalized message, all housed in a giftable box. Choose from eight token designs, ranging from sentiments of encouragement, love, strength, gratitude, and more, ensuring there's a token to recognize every moment beautifully.

Photo Moments, starting at \$68, transforms cherished memories into timeless treasures.
