

AVATR Technology and Smart Mobility International (SMI) have signed a strategic partnership agreement in Abu Dhabi, United Arab Emirates, on June 27, 2024. The agreement aims to accelerate the development and commercialization of smart mobility solutions in the Middle East and North Africa (MENA) region. AVATR Technology, a leading Chinese smart mobility technology provider, will provide its advanced software and hardware solutions to SMI, enabling the company to offer comprehensive smart mobility services to its customers in the region. This partnership is expected to significantly enhance the smart mobility ecosystem in the MENA region and drive the growth of the smart mobility market.
