MatchAwards and Wisconsin Veterans Chamber of Commerce Announce Strategic Partnership to Empower Veterans and Military-Connected Families

MILWAUKEE, WISCONSIN, USA, June 27, 2024 /EINPresswire.com/ --

[MatchAwards](#), the pioneering AI-powered Social-Economic Media Platform, is proud to announce a strategic partnership with the [Wisconsin Veterans Chamber of Commerce \(WVCC\)](#). This collaboration aims to support and empower the WVCC community including veterans, military-connected families, and diverse businesses by providing them with enhanced opportunities, resources, and tools for growth and success.

Empowering Wisconsin and Veterans and Military-Connected Families

The WVCC unites small business owners, corporate executives, and community leaders to support these groups. By bridging the gap between various community segments and the business world, WVCC welcomes businesses and organizations of all types, including veteran-owned, military-focused, entrepreneurial ventures, non-profits, and corporations across every industry. The chamber's partnerships extend to businesses of all sizes and backgrounds, fostering an environment of growth and success for its members.

Christian Thornton: Visionary Leadership

Christian Thornton, President and CEO of WVCC, is a 12-year Navy veteran with extensive experience in both military and civilian sectors. While serving, Christian received numerous

commendations and citations and completed five combat tours in support of Operation Enduring Freedom and Operation Iraqi Freedom. Christian holds baccalaureate degrees in Marine Transportation from Kings Point US Merchant Marine Academy and Clinical Laboratory Science from the University of Wisconsin Stevens Point. Post-military, Christian has dedicated his time to promoting programs that support veterans during their transition to civilian life.

Christian Thornton, President and CEO of WVCC, expressed his enthusiasm for the partnership:

"We are thrilled to partner with MatchAwards.com to further enhance the resources and opportunities available to our member community. This collaboration will leverage cutting-edge technology to foster connections and create growth for our members. Together, we can ensure that all organizations have the tools and support they need to thrive in the business world."

MatchAwards.com: Revolutionizing Economic Development
