

EZ-WASHER by CM Products: Revolutionizing Portable Power Washing for K9 Units and Beyond

TEXAS, UNITED STATES, June 25, 2024 /EINPresswire.com/ -- The EZ-WASHER by CM Products is a 110 PSI battery-operated soft-side, expandable power washer suitable for various applications, including use by K9 units in the field.

Innovative Versatility and Functionality

Developed by the veteran-owned CM Products, EZ-WASHER is changing the landscape of portable power washers. This device is unique as the only 110 PSI battery-operated, soft-sided, expandable power washer available today. With the ability to hold up to 10 liters of water and a design that folds down for easy transport and storage, EZ-WASHER is suitable for diverse activities such as beach outings, camping trips, sports events, and various work environments.

Crucial for K9 Units

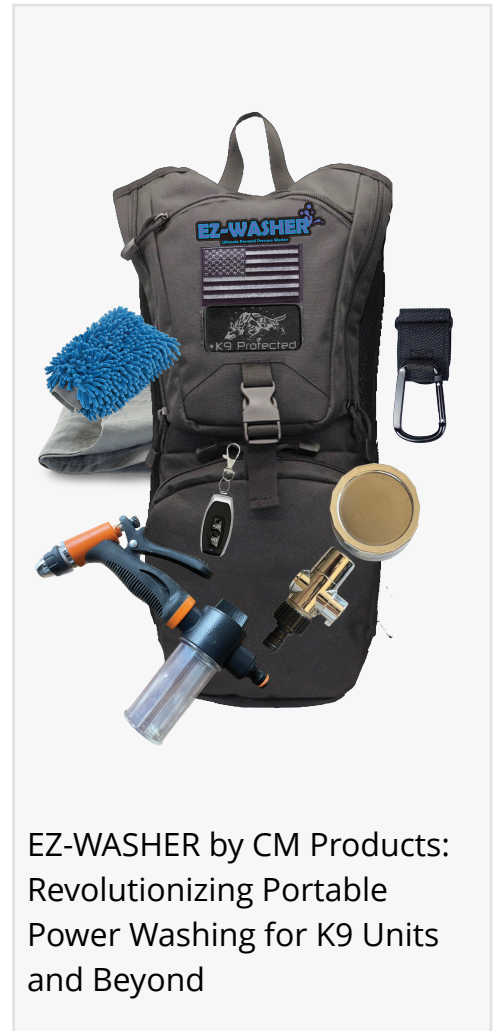

EZ-WASHER has proven to be an invaluable asset for K9 units. Its portable design ensures both dogs and handlers stay hydrated and clean in the field. The unit's reliability and ease of use make it a vital tool for these dedicated teams, allowing them to perform their duties effectively without compromising on hygiene and comfort.

Distinctive Features of EZ-WASHER

The EZ-WASHER includes features that distinguish it from other products on the market. Equipped with a spray wand, a shower wand, and quick connection hoses, it provides a comprehensive solution for various cleaning and hydration needs. Additionally, EZ-WASHER is cost-effective, offering a competitive price point along with a three-year warranty, providing users with peace of mind and quality assurance.

Designed by Veterans, For Everyone
