Press can still join the Vegas Stronger™ Street Team as they head out to encampments and tunnels to warn our community members and encourage them to seek shelter at designated Cooling Stations which provide shelter, air conditioning, and water. The team will also be working to warn the community about incoming flash floods as Las Vegas heads into monsoon season. About Vegas Stronger™

Vegas Stronger™ is a unique Non-Profit Organization 503(c)(3) focused on reversing the devastation caused to our community by the opiate epidemic and addiction. Our out-of-the-box approach helps anyone afflicted, regardless of their race, socio-economic status, or housing situation, in an outpatient facility. We offer more than just traditional groups and are a growing facility with a sober boxing gym, coffee shop, bookstore, bicycle mission, and our customized "13 Core Elements Method." We facilitate that restoration to wholeness for individuals, families, and society at large, by creating awareness and providing access to both state-of-the-art and historically reliable remedies. Our services cater to all suffering from the depths of addiction. In many instances, residential rehab is not a viable or financial option. Learn more at <https://vegasstronger.org/>
