FULL SYNOPSIS:

In Hawaii for work, Alice Monrow, a pharmaceutical rep, faces a strained marriage and buried regrets of a past fling with Taylor Hargrove. Their brief affair, a decade ago, left an imprint she can't shake. Faced with a few conference-free days, Alice seeks closure at Taylor's former workplace, only to run into him unexpectedly.

Taylor's invitation to finally show her Hawaii reignites old sparks, and despite initial hesitation, Alice embarks on a journey to rediscover lost love. As they traverse Maui's breathtaking landscapes, unresolved emotions surface, forcing Alice to confront her life choices. Balancing her family and the allure of what-could-have-been, she grapples with unspoken desires and the paths left unexplored. Their time together becomes a poignant exploration of missed opportunities and the weight of decisions, set against the captivating backdrop of Hawaii. Amidst the rekindled connection, Alice navigates the complex interplay of longing, responsibility, and the alluring prospect of rewriting her life's narrative, questioning whether some loves truly fade or simply lie dormant, waiting for the right moment to reignite.

stereotypical, laid-back reputation of island living, growing up on Maui did anything but mellow out Lando's creative drive. Since 2005, he has owned, operated, and designed multiple premium clothing brands, as well as run his own private label manufacturing business. Having studied film at college in Santa Barbara, Lando continually shot most of the photo and video content for his brands and various creative projects throughout the years. This film is his first narrative feature length film and is a love letter to the beautiful state that shaped him.

STEPHANIE LYNN (LANDO) (portrays Alice Monrow/Co-Writer) - An actress, screenwriter, singer, and producer, Lando who grew up in Montpelier, Vermont and got her BA at the University of Pennsylvania. Stephanie studied acting and screenwriting then went on to pursue a career in TV/film in New York City and later Los Angeles. Stephanie co-wrote and starred in romantic comedy, *Soulmate(s)* - produced by Mandalay Pictures (*Sleepy Hollow*, *Enemy At The Gates*) and Argent Pictures (*Hacksaw Ridge*, *American Made*). Stephanie has had Guest Starring roles including CBS's *How I Met Your Mother* and NBC's *Castle*. Stephanie has also had an extensive commercial acting career, including a starring role singing and running across the country in national Nike campaign "I Would Run to You". She co-wrote and starred in *Aloha Also Means Goodbye*, which premiered at the Maui Film Festival.

EVAN GAMBLE (portrays Taylor Hargrove) - An actor and musician, Gamble hails from Houston, Texas. He has been acting in television and film for nearly 20 years. He's recurred in shows like *FEAR THE WALKING DEAD* and *VAMPIRE DIARIES*. He's also made appearances in *MAD MEN*, *FBI*, *ACCUSED*, *CRIMINAL MINDS*, *NCIS*, and many others. Evan also has played and written music for most of his life. He's performed numerous times at the SXSW music festival and had one of his songs featured in *THE YOUNG & THE RESTLESS*.

Aloha Also Means Goodbye is the first feature film that Bryden Lando and Stephanie Lynn (Lando) co-created and co-wrote together. They were married in Maui shortly before wrapping principal photography of the film, so this is an especially special project for them.
