About
Wordle for music!
 A fun poll for music experts.
 The 'Urban DJ' is a special part of Urban Poll. It's a fun songs competition where the community ranks 5 songs on daily bases. Then, everyone gets more points when their ordering matches the public. For example, if 42% of the people rank an item as #1, the same as you, everyone gets 42 points.
 After you vote, you get to nominate the next round's topic and songs. Then, next round - the more people vote for your nomination, the more points you get. So make sure to show us your best songs and artists! You can read all the details [here](#).
