[Spacing Tape for Hangers](#)

revolutionizes closet organization with its functional approach to evenly spaced hangers. This patented solution is expertly designed to streamline closet organization, offering users an effortless way to keep their wardrobes neat. Now, RST enhances the experience by introducing its spacing tape in new colors: smokey grey, black, light blue, and light pink. These additions allow for personalized customization, matching any style and décor. RST is also perfect for children, making closet organization an enjoyable and educational activity.

Roomedys® Spacing Tape

## Founder's Insight

Stephen Patrick, the visionary behind [Roomedys®](#) Spacing Tape for Hangers, focuses on creating practical solutions to improve everyday life through effective organization. The principle guiding RST is straightforward: "Organize once, and it stays organized." RST enables users to efficiently arrange their clothes in minutes, ensuring each item remains in place. According to Stephen, "Everything has a place; everything stays in place," simplifying the closet organization process.

## About Roomedys®

Roomedys® Spacing Tape for Hangers is crafted to bring harmony and efficiency to users' lives. It allows for a swift and lasting organization that integrates smoothly into daily routines. Stephen's goal with RST is to free up time for the more important aspects of life, like spending time with family and friends.

Reflecting on the development of Roomedys® Spacing Tape for Hangers, Patrick shares a personal sentiment: "Roomedys® Spacing Tape for Hangers is an extension of my life and personality. It's a product I'm proud to share." This personal investment highlights the genuine care and dedication embedded in the product.

## Key Features of Roomedys® Spacing Tape for Hangers

RST transforms any closet into an organized and sophisticated space. The product offers customizable spacing options, allowing users to choose between single, double, or triple spacing to fit any closet rod.

A standout feature of Roomedys® Spacing Tape for Hangers is its ability to keep clothes perfectly spaced, preventing items from slipping or becoming disorganized. This feature enhances the user experience, allowing easy access to wardrobe items. With RST, users can effortlessly shift and inspect their clothing, confident that everything will stay in its designated spot.

The adhesive used in Roomedys® Spacing Tape for Hangers (RST) is effective on various closet rod materials, including wood, metal, and plastic. Applying the tape to a clean, dry surface for optimal adhesion is essential. Using isopropyl alcohol for cleaning is recommended, as other cleaners might affect the adhesive. Roomedys® utilizes 3M adhesive, recognized for its strength and durability, ensuring a lasting hold on all surfaces - the 3M liner on RST guarantees genuine and effective adhesion.

## Enhancing Closet Functionality

Roomedys® - RST offers flexible options for customizing closet spaces, including single, double, or triple spacing for clothes. Users can also create clear sections by skipping bumps, making organization straightforward and navigation easy. RST is a space-saving solution, with 6 feet of tape accommodating up to 102 hangers, reducing tangling and encouraging regular rotation and decluttering.

The semi-spherical bumps on RST are designed to allow clothes to be rotated 180 degrees and moved side to side without hangers slipping out of place. The height of the bumps keeps hangers secure, while the tape's width ensures a firm grip on the closet rod and hanger top. Leaving hangers in place after removing items maintains an orderly appearance and provides clear storage spots, ensuring users always know where to return items.

## The Roomedys® - RST Advantage

Roomedys® Spacing Tape for Hangers transcends traditional organizational tools, offering a transformative approach to closet management. Its versatility and user-friendly design promise a closet that meets organizational needs and exudes elegance.

"With RST, the question isn't why use it; it's why not?" emphasizes Stephen Patrick. Roomedys® Spacing Tape for Hangers ushers in a new era of closet confidence and efficiency.
