IoT Tech Expo Europe welcomes a host of top industry experts to the speaker line-up

IoT Tech Expo Europe announces new speakers!

AMSTERDAM, NORTH HOLLAND, NETHERLANDS, June 26, 2024 /EINPresswire.com/ -- IoT Tech Expo Europe, the leading event for exploring the latest advancements in Internet of things technology, is pleased to announce an esteemed line-up of speakers for the expo, which is set to take place on 1-2 October 2024 at RAI, Amsterdam.

IoT Tech Expo Europe

This year's event will feature thought leaders, industry experts, and innovators who will share their insights and expertise on topics including IoT, Digital Twins & Enterprise Transformation, IoT Security IoT Connectivity & Connected Devices, Smart Infrastructures & Automation, Data & Analytics and Edge Platforms.

> " We are thrilled to welcome such a distinguished group of speakers to IoT Tech Expo Europe"
>
> *Rita Andrews, Conference Producer at IoT Tech Expo*

Speakers at IoT Tech Expo Europe include:

• Sebastian Grabowski - Head of IoT at Orange
• Jesper Touboel - VP - EMEA Manufacturing at LEGO
• Anna Schindler - Director of the Office for Urban Development at City of Zurich
• Alan Murphy - Regional Manager at Smart Dublin
• Anand Gandhi - SVP Enterprise IoT Solutions at Eseye

• Chris Newlands – CEO at Spaceaye

In addition to the speakers, the IoT Tech Expo Europe will feature a series of presentations covering a diverse range of topics crucial to the advancement of the Internet of things and its applications across industries. Attendees can expect to gain valuable insights and practical strategies from presentations such as:

• Catalyzing Manufacturing Evolution –
Unleashing Efficiency, Automation and
Sustainability through Industrial IoT
• How IoT will change the future of
payments
• Remote Mastery: Leveraging IoT for
Seamless Management Across
Boundaries
• Real-time tracking, analysis, and
optimization of locations, delivering
insights for fleet tracking, mapping,
and location analytics.
• 5G and IoT Integration – Unleashing
the Power of Connectivity
• Deploying IoT management tools to
achieve production targets
• Environmental IoT: Sustaining the
Future Through Connected Solutions
• IoT Applications in
Telecommunications
• The current state of IoT security in
2024: What's around the corner for
your organisation?

"We are thrilled to welcome such a
distinguished group of speakers to IoT
Tech Expo Europe," said Rita Andrews,
Conference Producer at IoT Tech Expo. "Their diverse perspectives and wealth of experience will
provide invaluable insights to our attendees, fostering learning and inspiration."
