Cyber Security & Cloud Expo Europe welcomes a host of top industry experts to the speaker line-up!

Cyber Security & Cloud Expo Europe announces new speakers!

AMSTERDAM, NORTH HOLLAND, NETHERLANDS, June 26, 2024 /EINPresswire.com/ -- Cyber Security & Cloud Expo Europe, the leading event for exploring the latest advancements in Cyber Security & Cloud technology, is pleased to announce an esteemed line-up of speakers for the expo, which is set to take place on 1-2 October 2024 at RAI, Amsterdam.

Cyber Security & Cloud Expo Europe

This year's event will feature thought leaders, industry experts, and innovators who will share their insights and expertise on topics including Zero-Day Vigilance, Threat Detection, Global Cyber Conflicts, Generative AI, Quantum Computing, Risk Management, Cloud Transformation, Hybrid Cloud strategies, DevSecOps Integration and AI & ML in Infrastructure.

> We are thrilled to welcome such a distinguished group of speakers to Cyber Security & Cloud Expo"
> *Chrissie Slot, Conference Producer at Cyber Security & Cloud Expo.*

Speakers at Cyber Security & Cloud Expo Europe include:

• Thomas Zuliani - Global CISO at Arla Foods
• Rick Mur - Chief Technology Officer at GNX
• Chandrashekhar Kachole - Chief Technology Officer at Wordline
• Katarina Kurcabova - Global Director Cloud Center of Excellence at Brenntag
• Mayank Srivastava - Director Data & Analytics at FrieslandCampina
• Ugur Basak - Director Of Engineering at TomTom

In addition to the speakers, the Cyber Security & Cloud Expo Europe will feature a series of

presentations covering a diverse range of topics crucial to the advancement of Cyber Security & Cloud technology and its applications across industries. Attendees can expect to gain valuable insights and practical strategies from presentations such as:

• Generative AI in Cybersecurity
• Visibility Matters: Proactive Threat Detection in the Cyber Landscape
• AI's Tactical Edge: Balancing Offense and Defence in Cyber Operations
• Navigating Emerging Regulations: Proactive Measures for Organizational Resilience
• Privacy-Driven Security: Turning Compliance into an Advantage
• Code, Commit, Secure: DevSecOps Leading the Way
• Navigating Transformation: Change Management in the Modern Software Landscape
• Unleashing the Power of Cloud Migration Strategies
• Unlocking Business Potential with Cloud & As-a-Service Solutions

"We are thrilled to welcome such a distinguished group of speakers to Cyber Security & Cloud Expo," said Chrissie Slot, Conference Producer at Cyber Security & Cloud Expo. "Their diverse perspectives and wealth of experience will provide invaluable insights to our attendees, fostering learning and inspiration."
