

Kounsel Launches New Comprehensive Health Services on Kounsel Platform

SAN FRANCISCO, CALIFORNIA, UNITED STATES, October 17, 2024

[/EINPresswire.com/](#) -- [Kounsel](#), the trusted platform for real-time access to skilled counselors, is proud to announce the launch of [Kounsel Clinic](#), an expansion that offers a wide range of healthcare services. The new Kounsel Clinic features personalized health plans, including expert-led nutrition programs and tailored dental care solutions, aimed at improving the overall well-being of users.

Kounsel Clinic provides access to certified healthcare professionals across multiple disciplines, helping users create customized plans that address their unique health needs. From specialized nutrition plans

designed for weight management, fatty liver reversal, and acne management, to comprehensive dental care plans for long-term oral health, the Kounsel platform is making expert health advice accessible to all.

Kounsel Clinic aims to deliver healthcare services that are convenient, affordable, and personalized for users. By expanding the platform to include a diverse range of offerings such as nutrition and dental care, the goal is to empower individuals to take control of their health with expert guidance from skilled professionals.

Key services offered through Kounsel Clinic include:

Personalized Nutrition Plans: Developed by licensed nutritionists, these plans address specific health concerns such as weight loss, fatty liver reversal, and skin health, providing users with customized dietary strategies.

Dental Care Plans: Tailored to individual dental needs, these plans offer preventive and restorative care strategies to promote long-term oral health.

Real-Time Health Consultations: Users can connect with healthcare professionals for live, one-on-one consultations, making it easy to get expert advice on health issues, diet, and wellness.

Available directly on the Kounsel platform, Kounsel Clinic's services are designed to fit seamlessly into users' busy lives, providing the care and support they need, whenever and wherever they need it.
