

# Pandaverse OÜ Announces the Launch of Wellpin.io: Redefining Meeting Scheduling for Modern Businesses

*Wellpin Simplifies Meeting Scheduling with an Innovative Mono Software*

ESTONIA, HARJU, TALLINN, June 27, 2024 /EINPresswire.com/ -- Pandaverse OÜ proudly announces the launch of [Wellpin.io](https://wellpin.io), a groundbreaking mono software designed to streamline online meeting scheduling. Wellpin.io offers a user-friendly platform that allows users to focus on their meetings while effortlessly managing scheduling tasks. With features like personalized meeting links, availability settings, and seamless calendar synchronization, Wellpin.io is set to revolutionize the way businesses schedule meetings.

In an era where complex and feature-rich apps dominate, Wellpin.io offers a refreshing alternative with its simple and intuitive mono product. Wellpin.io is designed to simplify the process of scheduling online meetings, enabling users to create personalized meeting links, determine their availability, and synchronize their schedules across multiple calendars with ease.

The setup process is quick and straightforward, taking no more than three minutes. Wellpin's user-friendly interface ensures that anyone can navigate and use the app effortlessly. Users can create

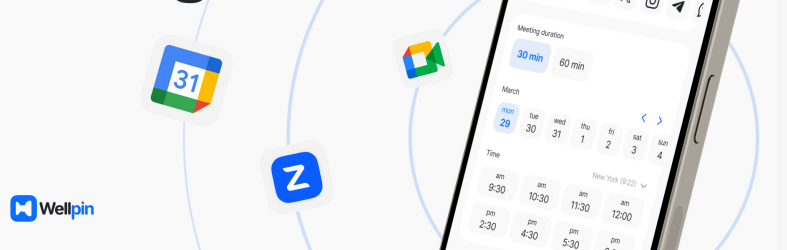

Save your time - scheduling with Wellpin

**It's your scheduled meetings**

Never miss a meeting again

personal links, set working hours, connect calendars, and send scheduling links to colleagues and clients. Scheduled meetings appear instantly in participants' calendars, with Wellpin.io preventing double bookings by checking availability across all connected calendars.

Currently, Wellpin.io integrates with Google Calendar, Google Meet, and Zoom, with more integrations planned for the future. Whether you're a consultant, recruiter, salesperson, marketer, tutor, or part of a team, Wellpin.io adapts to your scheduling needs. The 24/7 booking site allows clients to schedule, cancel, and reschedule meetings at their convenience, making it perfect for both individuals and teams.

### Product Features and Highlights

- [Effortless Scheduling](#): Create personalized meeting links and sync calendars in just minutes.
- User-Friendly Interface: Designed for easy use by anyone.
- Avoid Double Bookings: Comprehensive synchronization across all calendars.
- Current Integrations: Google Calendar, Google Meet, and Zoom.
- Future Integrations: Additional integrations on the way.
- Free Version Benefits: Integrations with all calendars, customizable booking pages, multiple meeting durations, embedded scheduling, and a single link for all calendars.

Experience the simplicity and efficiency of Wellpin.io for yourself. Visit Wellpin.io and [streamline your meeting scheduling](#) today.
