

# CCS Ranked on Channel Futures 2024 MSP 501—Tech Industry’s Most Prestigious List of Managed Service Providers Worldwide

*Annual Channel Futures MSP 501 Identifies Best of the Best in the Managed Services Industry*

HAUPPAUGE, NY, UNITED STATES, June 27, 2024 /EINPresswire.com/ -- CCS ([Custom Computer Specialists](#)), a leading provider of innovative IT solutions and services, announced today that they have been named as one of the world’s top-performing managed service providers in the prestigious 2024 [Channel Futures](#) MSP

501 rankings. For the past 17 years, managed service providers around the globe have submitted applications for inclusion on this prestigious and definitive listing. It is a milestone achievement for any managed services organization to be included on the list. The Channel Futures MSP 501 survey uses a quantitative methodology to rank companies based on their

client success, financial success, and innovation. The methodology has been developed by a Who’s-Who in the managed services industry.

“

Being included in this distinguished list underscores our commitment to excellence and innovation in the managed services industry.”

*Jay Whitchurch, CEO of CCS*

As a market-leading MSP, CCS’s capabilities encompass a comprehensive set of Technology Services designed to optimize and secure clients’ technology environments. Their services include end-user support to minimize downtime, and proactive monitoring and management of IT infrastructure to ensure systems are secure, up-to-date

and operate efficiently. They offer innovative and robust cybersecurity measures to protect against threats and data breaches, alongside disaster recovery and business continuity planning to safeguard critical operations. CCS also provides cloud management services, facilitating seamless integration and efficient use of cloud resources.

"We are incredibly honored to be named to the Channel Futures 2024 MSP 501 list," said Jay Whitchurch, CEO of CCS.

"Being included in this distinguished list underscores our commitment to excellence and innovation in the managed services industry. I would like to extend my heartfelt thanks to our clients, team members, and partners who have made this achievement possible. We have an outstanding team that is amazingly talented and dedicated to our clients' success. As we look to the future, we are excited about the opportunities ahead and will continue to deliver unparalleled service and value to our clients."

This year's list is one of the most competitive in the survey's history. Winners will be recognized on the Channel Futures website and honored during a special ceremony at MSP Summit, Sept 16-19, 2024 in Atlanta, GA.

"The 2024 Channel Futures MSP 501 winners survived a challenging market and emerged as the highest performing and most innovative IT providers in the industry today," said Dave Raffo, MSP editor and MSP 501 project manager. "The most impressive thing about the MSP 501 winners is they deliver for their customers every day. These are the most innovative, driven, and successful MSPs in a fiercely competitive industry."

The Channel Futures media organization, owned and operated by Informa, is the only channel-centric events, media and research company that can provide such insight into the managed services market.
