“

We are thrilled to see the rapid growth and positive impact of our Sunnyvale campus”

Kiran Grewal

[Montessori](#) School, a top provider of early education services in the San Francisco Bay Area at <https://www.learnandplaymontessori.com/>, is excited to announce new online information for parents detailing the expanded offerings and vibrant growth at its [Sunnyvale](#) Campus. Opened in Spring 2024, this campus has quickly become a hub for nurturing young minds with innovative Montessori + STEM curriculum, accommodating an

increasing number of enrollments.

Kiran Grewal, Co-Founder of Learn And Play® Montessori, shared her excitement: "We are thrilled to see the rapid growth and positive impact of our Sunnyvale campus. Our goal has always been to provide a nurturing and stimulating environment where children can thrive, and we are proud to offer a program that sets the stage for future leaders of science, technology, engineering, and math."

Located at 1055 Sunnyvale Saratoga Rd. Sunnyvale, CA, the campus is more than just a school; it's a nurturing environment where children learn, grow, and thrive. With an innovative Montessori + STEM-based curriculum, it is setting the stage for the future leaders of Silicon Valley. The best-in-class program spans from [daycare](#) (childcare) to preschool to kindergarten, ensuring a comprehensive and flexible educational experience for children from toddlerhood through kindergarten.

Based on the new announcement, which can be read in its entirety at <https://www.learnandplaymontessori.com/blog/raising-bright-leaders-at-learn-and-play-montessori-school-sunnyvale/>, the following points are of key interest:

Toddler Program (18 months to 36 months):

The toddler program provides a safe and stimulating environment where little ones can explore, learn, and develop essential skills.

Preschool (Starting at age 2):

The preschool program at Learn and Play® Montessori builds upon the foundation laid in the toddler years. Through a combination of Montessori principles and STEM activities, children engage in hands-on learning experiences that foster curiosity, creativity, and critical thinking.

Transitional Kindergarten and Kindergarten:

As children prepare for elementary school, the transitional kindergarten and kindergarten programs provide them with the academic and social skills they need to succeed.

After School Programs:

The after-school programs offer a variety of activities, from arts and crafts to sports and music, providing children with opportunities to explore their interests and passions in a supportive environment.

For parents interested in learning more about the exceptional educational opportunities at Learn and Play® Montessori, the best step is to visit the school's website at <https://www.learnandplaymontessori.com/sunnyvale/> for comprehensive information on programs and offerings. Additionally, booking a school tour at the Sunnyvale Campus is highly recommended.
