This gripping second installment of the ResilientAF series continues the powerful narrative of resilience, personal growth, and the human spirit's capacity to overcome life's greatest challenges.

Not My Circus picks up where the first book, *Kissing Asphalt*, left off. Niami begins by delving into the aftermath of the harrowing assault at seventeen. Niami's journey takes readers through the emotional turmoil of her twenties and early thirties, set against the backdrop of LGBTQ+ politics, global adventures, and profound personal growth. The memoir offers a raw and honest portrayal of confronting family secrets, enduring courtroom chaos during her mother's murder trial, and finding an unexpected path to resilience and self-discovery.

In *Not My Circus*, the author shares her extraordinary story of resilience amidst unimaginable adversity. From drug abuse and sexual trauma to homicide, she recounts her harrowing coming-of-age experiences in gritty detail. This powerful memoir will take you on a rollercoaster ride through the author's traumatic teenage and young adult years. Venture into the vibrant nightlife of West Hollywood, with all its temptation and danger in the height of the AIDS epidemic. Experience the terror of being raped and the frustration of seeking justice. But most importantly, witness the incredible courage and perseverance of a woman determined to heal.

While the events are chilling, the message is inspiring—no matter how much life tries to knock you down, you can choose to stand back up. Through the author's journey of self-discovery, learn that true strength comes from within. Raw, real, and impossible to put down, *Not My Circus* is a testament to the human capacity for resilience.
