Ovation Heartwood Preserve is an active lifestyle village nestled on the beautiful Heartwood Preserve in Nebraska. Residents have access to a wealth of amenities and

services to enhance their retirement and enjoy the joys of each day.

Retirement at Ovation Heartwood Preserve features multiple culinary venues, indoor pool and hot tub, dog park, first-class concierge services, an engaging activities and events calendar, and so much more. Ovation was carefully designed with seniors in mind – to create a community where residents could enjoy life with neighbors and friends right from home and have the freedom to easily explore and enjoy adventures in the local area.

One stand-out at Ovation is their specialized memory care services. Ovation Heartwood Preserve offers exceptional care through their Connections memory care program. This personalized approach to memory care tailors each experience with a focus on connecting with residents and enhancing comfort.

As part of the Connections program, residents enjoy tactile therapy, art therapy, pet visits, and more. Each area of our program is purposeful to encourage joy, learning new skills, enhancing memory, promoting comfort, among more benefits.

Ovation Heartwood Preserve also features a female-only memory care neighborhood, Meadowlark. Created by women for women, this specialized memory care neighborhood is exclusively for our female residents. Meadowlark is Omaha's first female-only memory care – and we're honored to provide this much-needed service to residents and their families.
