

Esaler's 10th Annual Giveaway Kicks Off

SHENZHEN, GUANGDONG, CHINA, June 28, 2024 /EINPresswire.com/ -- [Esaler](#), a leading distributor of electronic components, is thrilled to celebrate its 10th anniversary. To express gratitude to our loyal customers for their support over the years, Esaler will be offering special discounts across all electronic components during the anniversary period, along with enhanced services to give back to both new and existing customers.

A Decade of Excellence

Since its establishment in 2014, Esaler has been committed to providing high-quality, diverse electronic components to customers worldwide. Over the past ten years, Esaler has achieved significant milestones in terms of customer base, product range, and sales revenue:

Customer Base: Esaler now boasts over 30,000 registered users across more than 50 countries and regions.

Product Range: From an initial offering of tens of thousands of products, Esaler now offers over 9,000,000 types of electronic components, including resistors, capacitors, IC chips, and sensors.

Sales Revenue: In 2023, Esaler's annual sales revenue surpassed 100 million USD, a nearly 50-fold increase since its inception.

Thanks to its innovative products and services, Esaler has become the preferred platform for many engineers, electronics enthusiasts, and large manufacturers. Throughout the past decade, Esaler has adhered to a customer-first philosophy, continuously optimizing the user experience in every aspect, from product selection and ordering to after-sales service.

Anniversary Special Offers

To celebrate this significant milestone, Esaler will be offering special discounts on all electronic components from July 1 to July 31, 2024. Customers can enjoy substantial price reductions and receive additional perks by submitting a [Fast Response Quote \(FRQ\)](#) application. Whether it's for everyday purchases or special requirements, Esaler is committed to providing top-notch service and competitive prices to every customer.

Esaler's Outstanding Services
