

# Minnesota Mesothelioma Victims Center Urges a Journeyman Plumber with Mesothelioma Anywhere in Minnesota to Call Attorney Erik Karst of Karst von Oiste About Financial Compensation-It Might Be Millions of Dollars

MINNEAPOLIS, MINNESOTA, USA, July 2, 2024 /EINPresswire.com/ -- The Minnesota Mesothelioma Victims Center is urging a journeyman plumber with just diagnosed mesothelioma anywhere in Minnesota or their family to please call attorney Erik Karst of Karst von Oiste at 866-714-6466 to discuss financial compensation. Erik Karst is the managing partner of Karst von Oiste and he is Minnesota's best known mesothelioma attorney. Erik Karst and his colleagues have decades worth of assisting plumbers with mesothelioma and Erik and his team produce remarkable compensation results for their clients.

The group says, "Plumbers who were working before the early 1980s probably had as much exposure to asbestos as a shipyard worker. Many experts consider plumbers to be one of the most at risk work groups for developing mesothelioma and or asbestos exposure lung cancer in the nation. In Minnesota in addition to fixing broken pipes, or water pumps, a plumber would have also worked on residential and commercial boilers and furnaces. Boilers before the 1980s were in most instances covered with asbestos.

"If your loved one is a plumber in Minnesota and they now have mesothelioma please make financial compensation a top priority and call attorney Erik Karst of Karst von Oiste at 866-714-6466. We are certain you will be glad you did." [www.karstvonoiste.com/](http://www.karstvonoiste.com/)

The Minnesota Mesothelioma Victims Center is also appealing to a Navy Veteran or worker who had significant exposure to asbestos before 1983 and who now has lung cancer anywhere in Minnesota to please call them at 866-714-6466 about compensation. A compensation settlement for a person like this might be hundreds of thousands of dollars, and for Veterans there might also be VA Benefits.

The Minnesota Mesothelioma Victims Center is a passionate advocate for people with mesothelioma in Minneapolis, Saint Paul, Rochester, Duluth, Bloomington, Brooklyn Park, Plymouth, Saint Cloud or anywhere else in Minnesota.
