Valuepreneurs serves as an exceptional guide for young entrepreneurs. I believe Valuepreneurs will empower my students with a more critical and creative mindset in their entrepreneurial journey."

Ashley L. Houchins Smith, an Entrepreneurship & Business Academy Teacher

Ashley L. Houchins Smith, an Entrepreneurship & Business Academy Teacher at Kempsville High School in Virginia Beach, VA, shares her experience:

"Valuepreneurs serves as an exceptional guide for young entrepreneurs, offering a roadmap from ideation to realization and beyond. As a high school entrepreneurship educator, I'm constantly seeking resources for my class. After years of collecting various texts, none had fully encapsulated the journey until I encountered this gem. The book covers a multitude of topics, breathing life into them with relevance and impact. It emphasizes the paramount importance of customer interviews and consistent customer engagement—a principle I underscore to my students. Valuepreneurs is a game-changer. It provides a

real-world guide to entrepreneurship, making it a must-have resource that complements my values of putting students first, seeking growth, being open to change, doing great work together, and valuing differences. I wholeheartedly believe that Valuepreneurs will empower my students with a more critical and creative mindset in their entrepreneurial journey."
