

# Florida Mesothelioma Victims Center Strongly Recommends the Gori Law Firm for a Career Navy Veteran with Mesothelioma or Asbestos Exposure Lung Cancer in Florida-Get the Best Compensation Results from Experts

TAMPA , FLORIDA , USA, July 1, 2024

/EINPresswire.com/ -- The Florida Mesothelioma Victims Center says, "If your husband or dad is a career navy veteran who has just been diagnosed with mesothelioma or asbestos exposure lung cancer anywhere in Florida, please call the Gori Law Firm anytime at 866-532-2106 for a conversation about financial compensation. Depending on the specifics of how the career navy veteran was exposed to asbestos on a ship, submarine or at a shipyard compensation for mesothelioma might be millions of dollars, and compensation for asbestos exposure lung cancer might be hundreds of thousands of dollars.

"We have been assisting navy veterans with mesothelioma and asbestos exposure lung cancer for nearly two decades and we know a great deal about how people like this were exposed to asbestos on a ship, submarine and or at a shipyard. Before the early 1980s there were no prohibitions for navy sailors working around asbestos. Over the years we have heard different navy veterans telling us the same story of blowing their nose-and what came out was asbestos. A compensation claim for a navy veteran with mesothelioma or asbestos exposure lung cancer does not involve suing the navy.

"If your husband or dad is a career navy veteran with just diagnosed mesothelioma or asbestos

exposure lung cancer anywhere in Florida, please call the Gori Law Firm anytime at 866-532-2106 to discuss compensation. The Gori Law Firm has an office in Tampa, Florida."
