

# LEGOLAND® New York Resort Invites Families to Take Play Time Off This Summer

HUDSON VALLEY, NEW YORK, UNITED STATES, June 28, 2024 /EINPresswire.com/ -- A [recent survey](#) conducted by Merlin Entertainments has shed light on the importance of taking time off to play as a family. The survey found that 55% of CEOs rank unplugging and participating in activities without an agenda as a top benefit, and promoting this mindset among employees can lead to increased creativity in the workplace.

As summer approaches, families are looking for fun and safe ways to spend quality time together. Julie Estrada, the National Director of Public Relations for Merlin Entertainments, knows just the place for family play time - LEGOLAND New York Resort. Estrada emphasizes the importance of "play time off" and shares tips for planning the perfect family outing this summer.

She recommends purchasing tickets in advance to avoid long lines and taking advantage of the resort's new reservation system to ensure a smooth visit. She also suggests checking out the all-new Minifigure Skyflyer, a thrilling ride that gives guests a bird's eye view of the park. With over 50 rides, shows, and attractions, LEGOLAND New York Resort has something for every member of the family.
