Located at 1 Southside Park, Mercedes-Benz Places promises to be one of the largest and most prestigious developments in Florida, encompassing over 2.5 million square feet of mixed-use space. Designed by SHoP Architects in collaboration with Field Operations, the tower exemplifies Mercedes-Benz's design philosophy of Sensual Purity, blending sophisticated geometric forms with emotive architectural details.

“

The design of Mercedes-Benz Places in Miami centers around an eye-catching, cube-shaped mixed-use tower”

The development will feature 791 residences ranging from studios to three-bedroom apartments, each meticulously designed by Woods Bagot in partnership with Mercedes-Benz's design team. Residents will enjoy panoramic views of Miami, Biscayne Bay, and the Atlantic Ocean, complemented by state-of-the-art amenities including a private porte cochere, a rooftop pool, and integrated Miele appliances in custom-designed kitchens.

In addition to residential units, Mercedes-Benz Places will feature office space, retail outlets, and a hotel, catering to the diverse needs of its residents and visitors. Sustainable building practices

will underpin the construction, aligning with Mercedes-Benz's commitment to environmental responsibility.

Construction progress can be followed on the project's social media channels, with initial occupancy anticipated in 2027.
