

Contour Of Circle by Chen Chiawen and Kao yuchun Wins Silver in A' Interior Design Awards

Chen Chiawen and Kao yuchun's Innovative Aesthetic Medical Clinic Design Recognized for Excellence by International Jury

COMO, CO, ITALY, June 29, 2024 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected international design competition, has announced Contour Of Circle by [Chen Chiawen and Kao yuchun](#) as the recipient of the prestigious Silver A' Design Award in the [Interior Space and Exhibition Design](#) category. This recognition highlights the exceptional design quality and innovation demonstrated by the aesthetic medical clinic, positioning it as a leading example within the interior design industry.

The Silver A' Interior Space, Retail and Exhibition Design Award celebrates designs that not only showcase aesthetic appeal but also prioritize functionality and align with current industry trends. Contour Of Circle's recognition underscores its relevance to the evolving needs of the medical aesthetics sector, offering practical benefits for both staff and patients through its thoughtful layout and innovative use of space.

Contour Of Circle stands out for its harmonious blend of circular and linear geometric shapes, incorporating arcs, organic lines, and a color palette inspired by human skin tones. This approach creates a calming atmosphere that helps alleviate the tension often associated with medical procedures. The design also skillfully addresses the unique challenges of the site, utilizing two narrow voids to create a dynamic and playful environment despite the spatial constraints.

The Silver A' Design Award serves as a testament to Chen Chiawen and Kao yuchun's commitment to pushing the boundaries of interior design in the medical aesthetics field. This recognition is expected to inspire future projects within their practice, fostering further exploration of innovative design solutions that prioritize both form and function. The award also motivates the team to continue striving for excellence and setting new standards within the industry.
