

Cohesion by Andersen Chiu Wins Silver in A' Interior Design Awards

Andersen Chiu's Residential Sample House Design Recognized for Excellence by Prestigious A' Design Award Jury

COMO, CO, ITALY, June 29, 2024 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected recognition in the field of [interior](#) design, has announced [Andersen Chiu's](#) "Cohesion" as a Silver winner in the Interior Space and Exhibition Design category. This prestigious accolade highlights the exceptional quality and innovation of Chiu's residential sample house design, positioning it as a noteworthy contribution to the interior design industry.

Cohesion's recognition by the A' Interior Space, Retail and Exhibition Design Award underscores its

relevance to current trends and needs within the interior design sector. The design aligns with industry standards and practices while offering practical benefits to users, showcasing Chiu's commitment to creating spaces that are both functional and aesthetically pleasing.

Chiu's award-winning design stands out for its masterful use of timber and veneer furnishings, seamlessly intermingled with fair-faced concrete. The thoughtful configuration invites guests to explore the space, while strip lighting and hardware embellishments create a stylish, Wabi-Sabi-inspired motif. The innovative use of wood veneer on beams not only enhances the sense of space but also contributes to the overall design coherence.

This recognition from the A' Design Award serves as motivation for Andersen Chiu and his team to continue pursuing excellence and innovation in their future projects. The accolade is expected to inspire further exploration of sustainable materials, functional layouts, and aesthetic appeal in

Chiu's upcoming designs, setting a high standard for the industry.
